### Agenda:

**Class Rules & Points Discussion:** Your representative will take time before this meeting to reach out to you and get your input on possible rule changes and point system.

**Vehicle Registration:** Vehicle registration will register the owner of the vehicle with the rolling chassis of same vehicle.

To be eligible for points, registration, owner, and rolling chassis must be the same for the year the registration was submitted and year the points are being collected.

In the case a vehicle would suffer major chassis damage and the vehicle owner is capable of fixing. The owner then must submit to the OTTPA board what changes or repairs are going to be made to the chassis.
