

The Outlaw YOUNG GUNS

1-14-22 The Outlaw Truck and Tractor Pulling Association is proud to announce the Official launch of the Outlaw YOUNG GUN program for 2022 and beyond! The Outlaw YOUNG GUN program is a way that we as an Outlaw organization and family can support, mentor, build, recognize and create opportunities for our youth!

The Outlaw Truck and Tractor Pulling Association has 30+ youth drivers and/or Outlaw Employees between the ages of 16 and 25 that compete each summer at some 50 Outlaw events across the Midwest. These young drivers and employees are our youth, they are our kids, they are our future of pulling! By creating a program such as the Outlaw YOUNG GUNS, we feel that we can help influence their pulling success, their careers, their lives, and their individuality by providing them the opportunities that will arise from this program. The Outlaw YOUNG GUN program is not a popularity contest, but rather a platform in which we can assist our youth to grow in who they are as individuals through the motorsport of truck and tractor pulling!

Titan International Inc., maker of Titan Wheels, Titan Tires and Goodyear Farm Tires has graciously come on board as the TITLE SPONSORS of the Outlaw YOUNG GUNS program in a 3-year commitment. "We have been excited to join the Outlaws for some time now and what better way to do it than by supporting the youth of this great Motorsport," says Kim Boccardi, Titan Internationals Vice President of Marketing! *Learn more about Titan International at: www.titan-intl.com*

To get the YOUNG GUN program kicked off, Kurt and I have nominated 2 individuals, one young lady and one young man (Kelsie Davidson and Tyler Paddock) to serve as co-chairs for the YOUNG GUN program. This co-chair role is designed to identify leaders within the YOUNG GUN group to help organize and lead the program. These 2 co-chairs will also serve as delegates on the Outlaw General Board of Directors. The co-chair role will be a nomination/voting process by the YOUNG GUN members themselves every 2 years. Please join Kurt and I in welcoming Kelsie and Tyler into their role as co-Chairs of the Outlaw YOUNG GUNS for the 2022 and 2023 season!!!

To become an OUTLAW YOUNG GUN, one must be between the ages of 16-25 (anytime during the 2022 pulling season), hold a General Outlaw membership, and agree to signing the Outlaw YOUNG GUN code of conduct that was created by the Outlaw YOUNG GUN group themselves.

See attached the all the information required to becoming an Outlaw YOUNG GUN! These documents must be submitted back to the Outlaw office no later than Feb 15, 2022 to reserve your highlighted Outlaw YOUNG GUN spot in the 2022 Outlaw Souvenir Book!

Outlaw YOUNG GUN Application information can be found on the Outlaw website under Puller INFO.
