This event will follow all OUTLAW RULES, there will be no exceptions. You will be tech'd appropriately and you are required to have all required safety equipment, shields, helmet, fire gloves, shoes, neck ring, etc.! Any questions, please visit our website (www.outlawpulling.com) to find the 2024 OTTPA Rule Book or contact our Head of Tech and Safety: Taylor VanBeek: 712-470-1900 or Ryan Boysen: 712-880-0178

Track Crew and Tow Back Tractors

Iowa Tractor Pullers Assn is providing the Track Crew, Equipment, workers and tow back vehicles w/ drivers. We will have a limited # of PULL BACK tractors, so we ask that you utilize your own tow vehicles if you bring them in your hauler with you. NO SUPPORT VEHICLES CAN BE DRIVEN IN; they must be in your hauler!

ABSOLUTELY NO OTHER cars, trucks, campers, motorhomes, etc. will be allowed in the pits with your haulers, we simply do not have the room.

Arrival and Pit Parking:

Haulers must enter Gate #2 off of University Avenue. Best route is to come in from the East off Hwy 65 and exit onto Hwy 6 and Hubbell Avenue (exit 83) from the Altoona/Adventureland exit. Take Hubbell Ave west into Des Moines, then turn south on East 33rd Street. This will take you down and across University Ave directly in to gate #2 of fairgrounds. (See included map) There are NO LEFT TURNS allowed off University Ave into Gate #2, the Police will not allow, so don't try it. You will be re-routed. Warning, if you try to come in from the West off 235 and then on university, there is a LOW BRIDGE just 6 blocks west of the Fairgrounds. 13'8". Beware! **Best to come in as shown on the map (See page #3).**

Only the haulers for that day's event will be allowed on the fairgrounds and in the Pits. If you arrive early and you need off site hauler parking, Prairie Meadows Race Track/Casino in Altoona or an area truck stop would be a good place to park.

If you must leave the grounds with your support vehicle, you must get a Gate #2 Pass from Dave Nelson or Kathy Boeckmann for re-entry. If you do not, you will be forced to pay the Gate #2 parking fee. No Exceptions!

If have an additional vehicle that follows you onto the fairgrounds. That vehicle is required to pay the Gate #2 parking fee and park in that general north parking LOT A. It will not be allowed in the pits. If that vehicle must remain overnight in general parking, the vehicle must be moved into the OUTLAW Overflow hauler pit parking area in the north lot. Park all the way north along the pine trees! If left in general parking overnight, it will get towed!

UPON ARRIVAL: You will stop at the pit gate, everyone will get out to sign waiver, receive pit pass arm bands and then be directed to pit parking. Lori will be track-side in the Schultz Mortgage Trailer where all competitors must "Check-In" and pay your Outlaw specific pulling fees 2 hours prior to event start time.

FAIR GENERAL ADMISSION:

EVERYONE entering the pit gate: all competitors, crew members, family and fans are required to purchase a GENERAL ADMISSION State Fair ticket. This ticket can be purchased in advance for \$11 or at the pit gate for \$16 before you sign the waiver and receive your pit pass arm band. If you order tickets online, you have to provide it to be scanned upon entering the pits. Have money ready for this purchase at the pit gate to make for a speedy entry. If you plan to attend the opposite day that you are pulling, you must purchase a NEW general fair ticket and pit pass for that day! Advance general admission tickets can be purchased at: www.iowastatefair.org or by clicking on this QR code

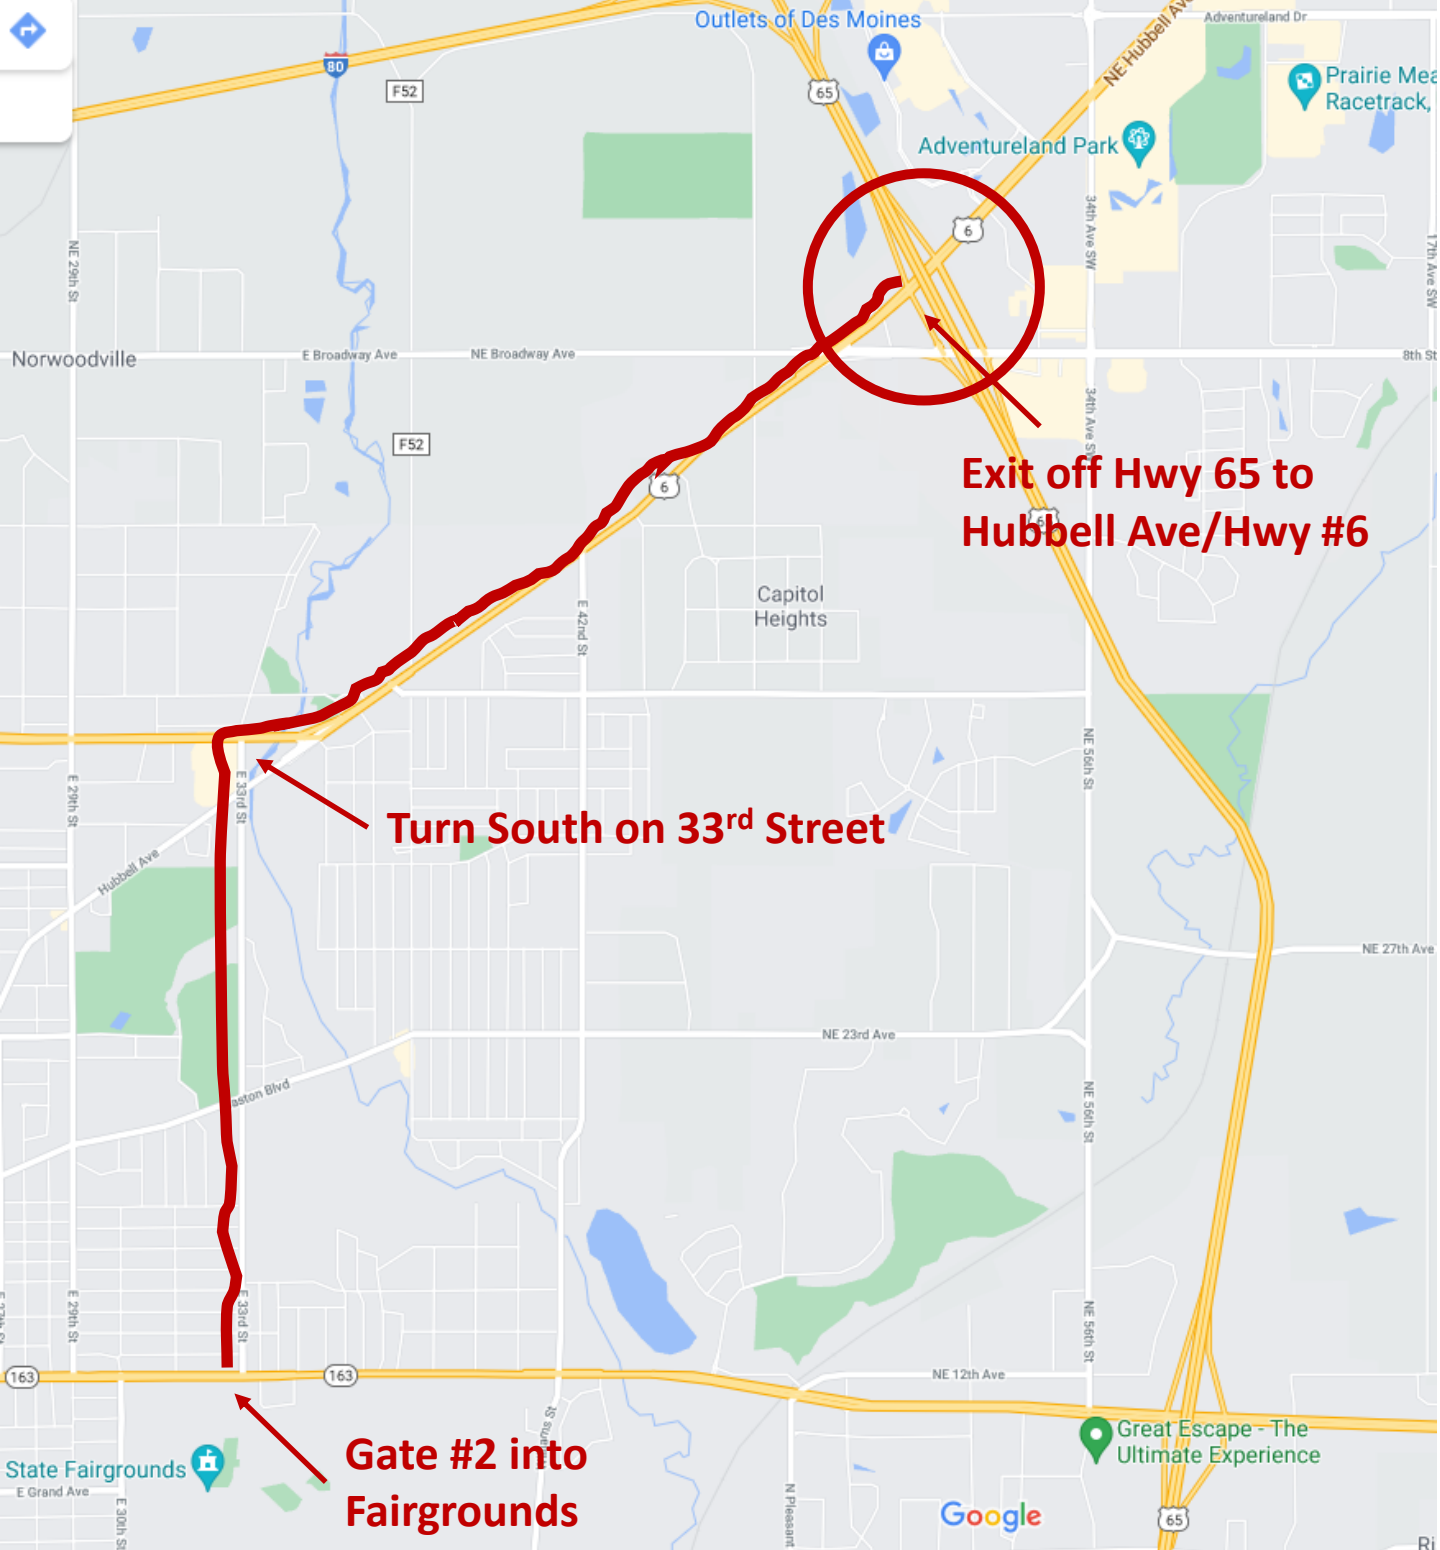

PIT PASSES:

- Outlaw members competing will receive 4 pit passes per competing vehicle for the day he/she is competing.
- Non-Outlaw Members that compete via a one-day hook fee (\$150) will receive 2 pit passes per competing vehicle for the day he/she is competing.

Tractor Pull Grand Stand Tickets:
